"Mary Talbot's book provides a comprehensive, theoretically-sophisticated and accessible introduction to the field of language and gender. Unlike other language and gender textbooks, Talbot foregrounds the importance of language and gender studies to the analysis of popular culture and mass media 'texts.'

Since its first publication in 1998, Mary Talbot's Language and Gender has been a leading textbook, popular with students for its accessibility and with teachers for the range and depth it achieves in a single volume. This anticipated third edition has been thoroughly revised and updated for the era of #MeToo, genderqueer, Trump, and cyberhate.
